## Request Help

Tell us how we can assist you today

### What type of help do you need?

Choose the category that best describes your request

#### Medical Care

Doctor visits, medication help, health monitoring, medical appointments

#### Daily Living

Cleaning, cooking, grocery shopping, household tasks, errands

#### Companionship

Social visits, conversation, activities together, reading together

#### Wellness Check

Regular check-ins, friendly calls, daily monitoring, safety checks

### Please describe what you need

The more details you provide, the better we can match you with the right helper

Tell us more about what you need help with. For example: 'I need help preparing meals for the week' or 'I would like someone to accompany me to my doctor's appointment on Friday.'

### How urgent is this?

This helps us prioritize your request appropriately

#### Not Urgent

Can wait a few days

#### Normal

Within 24 hours

#### Urgent

As soon as possible

### When would you like help?

Let us know your preferred timing

#### Right Now

I need help immediately

#### Later Today

Sometime today would be great

Anything

**elderreach-648.created.app** says

Message sent to Sarah Wilson. They will contact you soon.

OK
